

Farsight Security Services  
**Committed to Vigilance**

## INSIGHT

**Farsight Security Services** is a market-leading specialist in remote monitoring. The Observatory, Farsight's home, is Europe's largest purpose-built alarm receiving and remote monitoring centre.

The Observatory is packed with cutting-edge technology and manned by highly-skilled, qualified security operators.

### What security services do we provide?

- CCTV monitoring
- Intruder and fire alarm monitoring
- Access control
- Lone worker protection
- Video analytics

Each and every site is different and, with Farsight, there is never a one-size fits all approach. Every site benefits from a bespoke security solution.

## SURESIGHT

**Providing the very best security for sites of all types including:**

- Agricultural sites and energy farms
- Car dealerships
- Petrol stations
- Industrial sites
- Commercial property
- Public facilities
- And many more

Farsight currently monitors:

- The world's largest facilities management company
- Three of the UK's leading retailers
- Two of the countries biggest solar farm companies
- Strategic air traffic control sites
- Three of the UK's top car dealerships

## YOURSIGHT

## But why should you choose Farsight?

Farsight is dedicated to innovation and staying at the cutting edge of the industry. Choose Farsight for:

- Faster alarm response
- More time investigating the cause of alarms
- Complete transparency with soak tests, faults, incidents and alarm reporting
- 24/7 site connectivity monitoring
- SIA certified operational staff
- Cutting-edge YourSight technology
- Industry-leading CCTV packages
- A backup remote monitoring station to ensure your site is always protected
- Up to ten operators monitoring alarms at any given time

**Stay secure and invest in vigilance. Choose Farsight Security Services.**
